PROFILE

Passionate front-end developer skilled in **HTML, CSS, JavaScript, React, Tailwind CSS, Redux-Toolkit, Next.js and Firebase.** Currently pursuing a BSc in CSE at Bangladesh University, with hands-on experience building dynamic, responsive, and user-friendly web applications. Actively seeking opportunities to contribute to impactful projects and grow as a professional.

PROJECTS

E-COMMERCE WEBSITE (REACT.JS ,REDUX-TOOLKIT, TAILWIND)

- **Developed a dynamic eCommerce platform using React and Redux Toolkit**, featuring real-time state management and a responsive, modern UI styled with Tailwind CSS
- **Integrated secure user authentication with Firebase**, enabling personalized user experiences, and implemented real-time order storage for seamless order management.
- **Integrated Stripe for secure payment processing**, ensuring a smooth and reliable checkout experience, with a focus on scalability and user data security.
